

Carrie Strom

Senior Vice President, AbbVie, and President, Global Allergan Aesthetics

Carrie Strom is Senior Vice President, AbbVie, and President, Global Allergan Aesthetics and has served in this role since May 2020.

Prior to joining AbbVie, Ms. Strom served as Senior Vice President of U.S. Medical Aesthetics at Allergan® beginning in May 2018, overseeing the aesthetic portfolio for the multi-billion dollar U.S. business.

Previously, Ms. Strom was Vice President of Marketing, Plastic Surgery and Regenerative Medicine at Allergan and she was instrumental in the \$2.8B acquisition and integration of LifeCell.

Before Allergan, Ms. Strom spent over 10 years at Pfizer where she led marketing for a leading statin and held various other sales and marketing roles.

Ms. Strom received a B.A. in Communications from the University of Colorado, Boulder. She is an advocate for women in business and sits on the board for the Orange County chapter of the Girls Inc. organization. She is a member of the Komen Leadership Council in Orange County. At AbbVie, she is the executive chair of the PRIDE Employee Resource Group.
